## AWM modular mounting family

### Desk fixing options (sold separately)

#### Bolt through AWM-FB

Offers flexible mounting position. Used when attachment to the edge of the desk is not possible. Suitable for desks up to 33mm.

#### Grommet clamp AC-GC

Utilises an existing grommet hole or can be used as bolt through fixing. The plate provides extra stability for heavy loads. Fits grommet holes 60-80mm in diameter.

#### F-clamp AWM-FF

Traditional two-piece design that is used for retrofit and thicker desk surfaces up to 79mm.

#### C-clamp AWM-FC

Suited to desks with potential to interfere with the elements under the desk such as cable cages. Suitable for desks up to 33mm.

### Accessories

The display mounting head can be replaced with the SNTB notebook holder. The arm can be also attached to any AWM post via AWM-LC channel clamp.

#### Notebook holder SNTB

#### Channel clamp AWM-LC

### Ordering AWMS-DB desk mount:

#### AWMS-HXB consists of the following parts:

- 1 x AWM-AD dynamic arm
- 1 x AWM-LB desk base

#### Desk fixing options:
