

Rosie Laptop Table

Specification Guide

Rosie Laptop Table

A flexible work surface crafted to bring more versatility to casual seating areas.

The Rosie Laptop Table boasts an ultra low profile base with a sleek oval profile leg that effortlessly works together with soft seating or chairs. The generous work surface easily accommodates a laptop and mouse.

The Rosie Laptop Table designed to perfectly complement the Rosie modular table system elevates any office space.

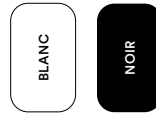

Rosie Laptop Table

Rosie Laptop Table Finishes

1. Standard Finishes

Rosie laptop table base, made from steel and aluminium, is available in Blanc and Noir.

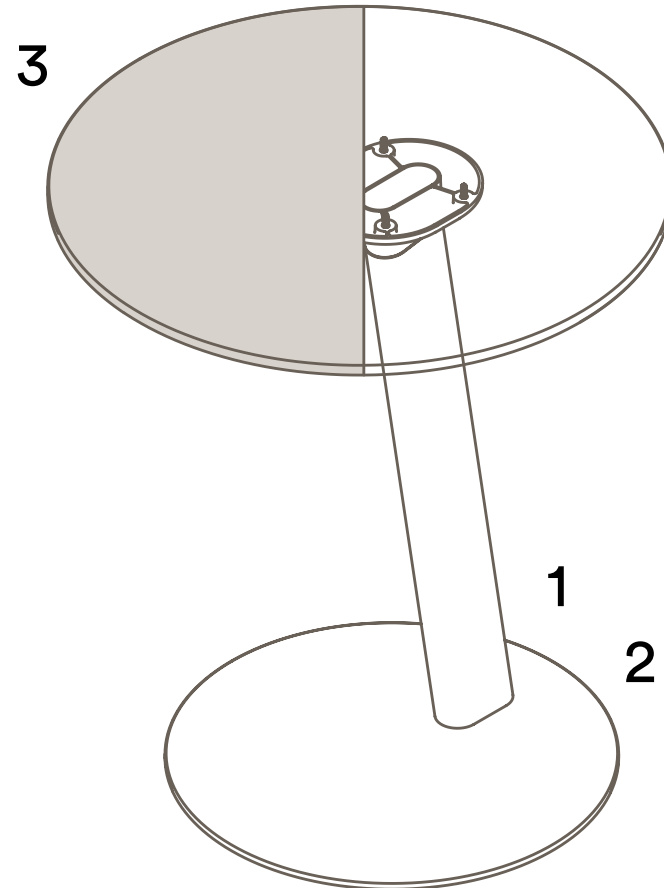

2. Premium Leg Finishes

We offer Rosie laptop bases in our current season powder coat colours.

3. Worktop Finishes

We offer Rosie laptop table worktop in HPL faced plywood with clear lacquered sharknose edge.

Colours are representative only, please check with your Thinking Works consultant to view samples of any specific colour and confirm availability in your country/region. Please note that pricing will vary based on your selected finish.
