

EXECUTIVE CUPBOARD

Product Description

The Statewide Executive Cupboard is an Australian made product constructed of Bluescope .7mm steel. It has been designed to the specifications of the Australian Defence Force. One side of the cupboard features hanging space for clothing and a boot shelf at 300mm from the base. The other side is fitted with adjustable shelving. The Executive Cupboard is a versatile storage unit designed for a variety of storage needs. Additionally, the cupboard boasts a shatter resistant mirror, 8 perforated vents (four per door) for airflow, and a 3 point latch locking system that can also be fitted with a flush mounted key locking system on request.
