

U.R

Specification Guide

U.R

Flexible, versatile and environmentally-friendly...
U.R is the smarter choice.

An environmentally considered table system, U.R draws on Life Cycle Assessments (LCA) to determine the most appropriate materials, and Finite Element Analysis (FEA) to ensure the strongest structure while eliminating waste. Skilfully designed for 100% disassembly, U.R is all ready for recycling.

A detailed line drawing of a mechanical assembly, possibly a medical device or a specialized workbench. The drawing shows a complex arrangement of metal plates, rods, and joints. A central vertical rod is connected to a horizontal plate at the top. To the right, a long horizontal rod extends from the central assembly, featuring a circular component near its end. Another rod is visible on the left side. The entire structure is mounted on a base. The text 'U.R.' is prominently displayed in the center of the image.

U.R

Table Finishes

1. Frame Finishes

Standard U.R frame finishes include black or chrome legs with a polished foot. U.R is also available in our current season powdercoat colours listed, with custom colour optional.

Colours are representative only, please check with your Thinking Works consultant to view samples of any specific colour.

Tables

Round / Square

Materials Information

Leg Finish

Steel Leg Column

- a. Textured Black (standard)
- b. Chrome (standard)
- c. Blanc
- d. Noir
- e. Double Cream
- f. Pink Salt
- g. Nocturnelle
- h. Morello
- i. Scotland Sky
- j. Green Smoke
- k. Moonshine
- l. Byron Blue
- m. Axel

Foot Finish

Aluminium Foot

- a. Polished (standard)
- b. Powdercoat (to match column)

Frame Finish

Steel Top Horn

- a. Black Powdercoat

* Maximum Custom Height 1000mm on Glides
900mm on Castors

Maximum inc. worktop 40kg
Maximum Point Load 50kg
Seats 4

CN-1020

720 (standard Height)

CN-1021 Castors

720 (standard Height)
