

# U.R

Specification Guide

# U.R

Flexible, versatile and environmentally-friendly...  
U.R is the smarter choice.

An environmentally considered table system, U.R draws on Life Cycle Assessments (LCA) to determine the most appropriate materials, and Finite Element Analysis (FEA) to ensure the strongest structure while eliminating waste. Skilfully designed for 100% disassembly, U.R is all ready for recycling.

A technical line drawing of a mechanical assembly, possibly a medical device or a specialized workbench. The drawing shows a central vertical support structure with multiple horizontal arms extending from it. These arms are connected to various components, including what appear to be sensors or actuators. The text 'U.R' is prominently displayed in the center of the image, overlaid on the drawing. The drawing is composed of clean, black lines on a white background, with no shading or color.

# Table Finishes

## 1. Frame Finishes

Standard U.R frame finishes include black or chrome legs with a polished foot. U.R is also available in our current season powdercoat colours listed, with custom colour optional.

Colours are representative only, please check with your Thinking Works consultant to view samples of any specific colour.

# Tables Folding

## Materials Information

### Leg Finish

Steel Leg Column

- a. Textured Black (standard)
- b. Chrome (standard)
- c. Blanc
- d. Noir
- e. Double Cream
- f. Pink Salt
- g. Nocturnelle
- h. Morello
- i. Scotland Sky
- j. Green Smoke
- k. Moonshine
- l. Byron Blue
- m. Axel

### Foot Finish

Aluminium Foot

- a. Polished (standard)
- b. Powdercoat (to match column)

\* Maximum Custom Height    1000mm on Glides  
                                              900mm on Castors

Maximum inc. worktop        24kg  
 Maximum Point Load       30kg  
 Seats                                1-6

CN-1080 , CN-1082, CN-1084, CN-1086

725 (standard Height)

CN-1081, CN-1083, CN-1085, CN-1087

725 (standard Height)

### **Specification**

Due to our policy of continuous product development, specifications and finishes may change without prior notice.

### **Sustainability Policy**

We realise the importance of responsible business practices and have in place numerous product and company sustainability certifications. We would encourage you to download our annual Sustainability Report from the Thinking Works website to get a full overview of our sustainability program.
